

Greetings,

I am eager to tell you about an exciting missions project that a team of 8 from Pacific Crossroads Church are preparing to embark upon.

I, along with 7 others from Pacific Crossroads, will be heading to Spain for one week this summer from July 11, 2012 to July 22, 2012 for an **English Camp**-focused missions project.

We will be spending the two weeks working with Harvest International In Granada, Spain hosting a camp teaching English as a Second Language to immigrant children from North Africa.

I feel blessed and very excited to be part of such a unique missions experience. It will be life-changing to use my gifts and abilities to serve the people of Haiti, and to experience God's creation as a team in this environment.

As a short-term missionary, I'd love your support as I prepare to serve in Spain. There are many ways you can help this project: financial support, prayer and encouragement.

My hope is that you share in the vision of what we are doing in Spain. As a team member I am responsible for raising the funds needed for the service portion of my trip. This amounts to \$2,500. I am also working to contribute towards this amount, and ask you to consider supporting the team and myself by giving to this project.

More importantly, I would appreciate your prayer support and encouragement. A trip of this nature requires many logistical and personal challenges. As well, we want to go with hearts, motives, and agendas that align with God's will for us as a team and as a church.

I look forward to updating you with all the specifics of the trip when we return in July. Thank you so much for taking the time to consider this project.
