

baking team

OVERVIEW

We exist to create a warm, artisan and small church feel for our Downtown worship service. Baking team members make creative and delicious treats for people to enjoy after the Downtown worship service.

FAQs

What in God's Double-Convection Oven?

Each weekly team has three people and each person bakes 7 dozen treats for the 5PM service. Team members sign-up to bake on dates of their choosing.

Cookies, Brownies, Cakes, Bars, OH MY:

Treats that people can eat with their hands and that don't need to be cut or specially plated. Feel free to be creative and experimental. If you want to bake special nut-free or gluten-free items, just put a label on the container and we'll transfer that label when we set out the treats after the service. We do have an awesome baker that likes to make her perfect banana pudding, and we make it work. So if you'd like to share a special recipe that doesn't fit the standard mold, let me know and we'll see what we can do.

1-800-TREATDELIVERY: Downtown Drop-Off:

You can bring the treats to the Downtown service when you arrive and leave them on the table in the lobby. Bring them in disposable containers or transfer your treats to ziplock bags at the time of drop off.

Westside Drop-off: If you attend the Westside services, you can drop the baked goods off in the volunteer room (green room) and we will transport them Downtown. Bring them in disposable containers or transfer your treats to ziplock bags at the time of drop off.

Money Back Guarantee:

You can be reimbursed for supplies up to \$33 each time you bake. All you need to do is email me a copy of the receipt with your name and address.

VOILA!
